AHS EDUCATION

AHS Education (Accelerated High School / AHSEdu.org) is a not-for-profit e-learning platform providing interactive, standards-aligned learning for students in Grades 1-6, with scholarships of up to 100% available. This document provides an overview of the platform's key features, organized into three sections: features available without login, core features available after login, and additional features available through each user dashboard - including Student, Parent, Teacher/Tutor, School, and Nonprofit dashboards. Each feature is explained in detail with relevant links, for schools, organizations, and potential partners.

1. Without Login - What's Available to Any Visitor

1. Free 10 Youtube Questions

2. Free YouTube Videos for Every Course

3. Full Curriculum Catalogue Browsing

- **Grade-wise and subject-wise:** course listings can be browsed without logging in, split into three catalogues: Elementary (Grades 1-5), Intermediary (Grades 6-8), and Higher Level (Grades 9-10).
- **Each grade covers 6 subjects:** General Science, Mathematics, English Language Arts, Social Studies, Arts & Crafts, and Computer Science.

4. Individual Course Detail Pages

5. Demo Videos for Every Audience Type

6. Free Mobile App

- Available on **Android and iOS**, so learning isn't tied to a desktop - described on-site as usable "from the living room to the bus stop."
- *Android: Google Play * iOS: App Store

2. After Login - Core Features Shared by Every Account Type

01	Personalized Dashboards
02	Interactive Videos with Built-In Quizzes
03	Comprehensive Lesson Content
04	50+ Practice Question Bank Assessments
05	Downloadable & Printable Worksheets
06	US State Standards-Aligned Curriculum
07	Progress Tracking & Reports

3. Curriculum Details

1. AHS Elementary Level - Grades 1-5
